Azitra, Inc. Announces Pricing of Initial Public Offering

June 15, 2023 11:04 PM EDT

BRANFORD, Conn., June 15, 2023 /PRNewswire/ -- Azitra, Inc. (NYSE American: AZTR) (the "Company"), a biopharmaceutical company focused on developing innovative therapies for precision dermatology using engineered proteins and topical live biotherapeutic products, today announced the pricing of its initial public offering of 1,500,000 shares of common stock at a public offering price of \$5.00 per share, for aggregate gross proceeds of \$7,500,000 prior to deducting underwriting discounts and other offering expenses. In addition, the Company has granted the underwriters a 45-day option to purchase up to an additional 225,000 shares of common stock at the public offering price less discounts, to cover over-allotments.

The shares of common stock are expected to begin trading on the NYSE American under the ticker symbol "AZTR" on June 16, 2023. The offering is expected to close on June 21, 2023, subject to satisfaction of customary closing conditions.

The Company intends to use the net proceeds from the initial public offering for clinical trials and product development, research and development, clinical manufacturing as well as for working capital and other general corporate purposes.

ThinkEquity is acting as sole book-running manager for the offering.

A registration statement on Form S-1 (File No. 333-269876) relating to the shares being sold in this offering has been filed with the U.S. Securities and Exchange Commission (the "SEC") and became effective on June 15, 2023. This offering is being made only by means of a prospectus. Electronic copies of the final prospectus, when available, may be obtained from ThinkEquity, 17 State Street, 41st Floor, New York, New York 10004. The final prospectus will be filed with the SEC and will be available on the SEC's website located at <http://www.sec.gov>.

This press release shall not constitute an offer to sell or a solicitation of an offer to buy, nor shall there be any sale of these securities in any state or jurisdiction in which such an offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or jurisdiction.

About Azitra, Inc.

Azitra, Inc. is an early-stage clinical biopharmaceutical company focused on developing innovative therapies for precision dermatology using engineered proteins and topical live biotherapeutic products. The Company has built a proprietary platform that includes a microbial library comprised of approximately 1,500 unique bacterial strains that can be screened for unique therapeutic characteristics. The platform is augmented by an artificial intelligence and machine learning technology that analyzes, predicts and helps screen the Company's library of strains for drug like molecules. The Company's initial focus is on the development of genetically engineered strains of *Staphylococcus epidermidis*, or *S. epidermidis*, which the Company considers to be an optimal therapeutic candidate species for engineering of dermatologic therapies.
